The background image shows a large-scale industrial construction project. In the foreground, a massive, yellow-painted metal ring is being hoisted by a crane. The ring is positioned around a large, horizontal pipe. The background is filled with a complex network of yellow and blue scaffolding, with several workers in orange safety gear visible on different levels. The sky is clear and blue. The overall scene conveys a sense of active industrial development and engineering.

疫情防控&生产经营 两手抓两不误
